

## IMAGESOURCE RECEIVES 2008 BEST OF OLYMPIA AWARD FOR SCANNING SERVICE

WASHINGTON D.C., September 11, 2008 -- ImageSource, Inc. has been selected for the 2008 Best of Olympia Award in the Scanning Service category by the U.S. Local Business Association (USLBA).

The USLBA "Best of Local Business" Award Program recognizes outstanding local businesses throughout the country. Each year, the USLBA identifies companies that they believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and community.

"We are honored to be recognized for our scanning services," says Jeff Martin, Conversion Manager, ImageSource. "Our Customer Partners know that our scanning services provide a focus on quality and accountability. By utilizing the best technology and strict internal processes we have developed a system that insures the security of their documents and at the same time delivers pristine images. We feel privileged to share this success with each of our partners."

Various sources of information were gathered and analyzed to choose the winners in each category. The 2008 USLBA Award Program focused on quality, not quantity. Winners are determined based on the information gathered both internally by the USLBA and data provided by third parties.
