

ImageSource, Inc. Receives 2009 Best of Olympia Award for Scanning Service

Olympia, WA, April 21, 2009 -- For the second consecutive year, ImageSource, Inc. has been selected for the 2009 Best of Olympia Award in the Scanning Service category by the U.S. Local Business Association (USLBA).

The USLBA "Best of Local Business" Award Program recognizes outstanding local businesses throughout the country. Each year, the USLBA identifies companies that they believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and community.

Nationwide, only 1 in 70 (1.4%) 2008 Award recipients qualified as 2009 Award Winners. Various sources of information were gathered and analyzed to choose the winners in each category. The 2009 USLBA Award Program focused on quality, not quantity. Winners are determined based on the information gathered both internally by the USLBA and data provided by third parties.

"It's been another exciting year for ImageSource", says Jeff Martin, Conversion Manager, ImageSource, "and we're honored to be recognized again by the U.S. Local Business Association. The continued success of our Conversion Department is attributed to our Customer Partners who repeatedly place their scanning projects in our trust. By providing service that stands at the forefront of scanning technology we deliver quality images, ensuring tight security around every document."
