

IMAGESOURCE ANNOUNCES THE RELEASE OF THEIR
ENTERPRISE CONTENT MANAGEMENT BLOGS

Olympia, WA, August 25, 2009 – ImageSource is pleased to announce the release of eight Enterprise Content Management blogs ranging in a variety of topics from project management to solutions to marketing and trends.

The blogs are written by ImageSource employees and sometimes an occasional guest expert from the industry. Posts discuss topics, such as [Distributed Capture](#), [ECM Education](#), [Change Management](#), [User Interfaces](#), [Customer Relationships](#), [Training](#), [Remote Services](#), and many others. To read more, click on any of the blog links below.

ImageSource Blogs:

[Project Management](#)
[Software Development](#)
[ECM Products](#)
[ECM Solutions](#)
[Systems Engineers](#)
[Technical Support](#)
[Marketing](#)
[Nexus](#)

The Nexus Blog highlights information about ImageSource's annual [ECM Solutions Conference](#). The blog includes updates on speakers, breakout sessions, registration discounts and more.

"These blogs offer valuable content and information to readers about the ECM industry," said Shadrach White, CTO, ImageSource. "Our goal is to inspire relevant conversations, generate questions and explore hot topics in the world of ECM. We invite readers to comment on intriguing posts and share the links with other industry professionals to help create truly interactive ECM blogs."
